Start

Initialize
session
702

Establish list of
macro entry
points
704

Process host
application
data
706

Macro
active?
708

No

Match current
host screen
against list of
macro entry
points
710

Match
found?
712

Yes

Execute macro
714

End

Process
individual
screen by
default or
individualized
presentation
716

Receive user
input
718

Transfer user
input to host
720

Additional
host data
received?
722

No

No

Yes

Yes
